To the editor:

I want to thank the community for their support of Granite Falls Fire Department's fire levy lid lift in the November 7 general election. Because of you, we will fund additional firefighters, construct a new headquarters station, and replace a fire engine and ambulance.

We're grateful our community sees the value of fire and emergency medical service. We will continue to report back to you as we make progress on the projects we promised.

Thank you for partnering with us to save lives and property.

Fire Chief Jim Haverfield
